

**Amendments to the Drawings:**

The attached sheets of drawings include changes to Figures 1-3.

A Submittal of Drawing Replacement Sheet(s) is being filed concurrently herewith under a separate cover. For your convenience, a copy of that filing is attached.

Attachment: Annotated Sheets of Drawings Showing Changes  
Copy of Submittal of Drawing Replacement Sheets

## **REMARKS/ARGUMENTS**

### **Claim Amendments**

The Applicant has amended claims 8, and 11-13. Applicant respectfully submits no new matter has been added. Accordingly, claims 6-14 are pending in the application. Favorable reconsideration of the application is respectfully requested in view of the foregoing amendments and the following remarks.

### **Allowable Subject Matter**

The Applicant gratefully acknowledges the allowance of claims 6-7 and 10-11.

### **Examiner Objections – Drawings**

The Drawings were objected to because Figures 1-2 should be labeled with “PRIOR ART” and each of the rectangular boxes in Figure 1 should contain a descriptive label so that the function of each rectangular box becomes apparent. A correction to the drawing is shown on the enclosed sheet. The Examiner’s approval of the drawing change is respectfully requested.

### **Examiner Objections – Specification**

The specification was objected to because there isn’t any detail description of Figure 2 in the Detailed Description of the invention. The Applicant thanks the Examiner for his careful review of the specification. In response, the Applicant has amended the specification accordingly. The Examiner’s consideration of the amendments to the specification is respectfully requested.

### **Information Disclosure Statement by Applicant (IDS)**

The cited documents AB, AC and AD from the Information Disclosure Statement have not been received by the Examiner. The Applicant has enclosed the cited documents

**Claim Rejections – 35 U.S.C. § 112**

Claims 8, 9 and 12-13 stand rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter as the invention. The Applicant has amended the claims according to necessary corrections as noted by the Examiner.

**CONCLUSION**

In view of the foregoing remarks, the Applicant believes all of the claims currently pending in the Application to be in a condition for allowance. The Applicant, therefore, respectfully requests that the Examiner withdraw all rejections and issue a Notice of Allowance for all pending claims.

The Applicant requests a telephonic interview if the Examiner has any questions or requires any additional information that would further or expedite the prosecution of the Application.

Respectfully submitted,
